Stewart Warner

96 YEARS AND COUNTING... STEWART WARNER JUST KEEPS GETTING BETTER

Since 1905, STEWART WARNER has been *the* brand name for instruments you can count on...a true American icon. From Model Ts to muscle cars to farm tractors to buses, Stewart Warner-brand products keep on working, year after year. Whether it's our stylishly retro Wings™ line of gauges and meters, our rugged sending units for heavy-duty vehicles, all-new analog or digital clusters, the new INFOTRAK 2000™ data-bus system, or vehicle accessories, we have the right products for almost every customer. We *are* the first name in vehicle instruments. Isn't it time you called us?

Your symbol of excellence.

DELUXE™ INSTRUMENTS

- Comprehensive offering of matching electrical and mechanical gauges for a variety of applications including Marine Deluxe and Metric Deluxe
- Classic easy-to-read white graphics on black face dials with white pointers
- Patented light ring for night-time illumination
- Low profile, bright, stainless steel bezel and metal cases
- Marine Deluxe features brass housing, bracket, and hardware to ensure corrosion resistance. Low profile, brass bezel with chrome finish
- Metric Deluxe available with metric face dials
- Matching 5" speed, tach, and cluster available
- Also available in 2 5/8" diameter cases

HEAVY DUTY™ INSTRUMENTS

- Bold white graphics on black face dials with white pointers
- Black raised bezel with distinctive brushed bright rim
- Patented light ring for better night-time readability
- Mechanical gauges feature Bourdon tube mechanisms while electric gauges feature Bi-Torque™ mechanisms
- Matching 5" speed and tach available

Note: Panels for display purposes only.

HEAVY DUTY PLUS™ INSTRUMENTS

- ISO symbols on face dials indicate function being monitored
- High visibility green tinted night-time illumination
- Attractive low profile black bezel
- Easy-to-read green and white graphics on black with white pointers
- Available in English and dual scale applications

SEAWORTHY™ MARINE INSTRUMENTS

- Crisp white face dials with black graphics
- Corrosion resistant brass case, studs, bracket, and hardware for Marine applications
- Green night time lighting for high visibility and low glare
- Aluminum bezel, with powder coat finish to protect against harmful ultraviolet rays, available in six vibrant colors

Note: Panels for display purposes only.

WINGS™ INSTRUMENTS

- Classic styling from the 40's and 50's combined with the quality and reliability of modern Stewart Warner products
- Distinct SW Wings logo, bright chrome bezel, teardrop pointer with crescent moon tail, convex glass lens
- Available in either white background with black-on-white graphics or the reverse, silver or cream colored dials, stainless steel or gold-plated bezels, and glass teardrop pointer.
- Available for automotive and truck applications

TRACK FORCE™ INSTRUMENTS

- High performance yellow and white graphics on black with red pointers
- Choice of raised flat black or stainless steel bezel
- Patented blue-white light ring
- Matching 5" tachometers available with or without memory
- Also available in 2 5/8" diameter cases

Note: Panels for display purposes only.

STANDARD & STANDARD PLUS™ INSTRUMENTS

- Classic white graphics on black face dial with white pointer
- Flat bright stainless steel bezel
- Popular diaphragm mechanism for proven performance in 2 1/32" diameter case
- Standard gauges in sealed case and non-illuminated
- Standard Plus available in single, double, and triple gauge mounting panel with external lighting with clamshell packaging

WORLD WIDE™ INSTRUMENTS

- Available in English and Metric dual scale. White numerals represent English while yellow indicate Metric
- White and yellow graphics on black face dial with a red pointer
- Raised bright stainless steel bezel
- ISO symbols on face dials indicate function being monitored

Note: Panels for display purposes only.
